Meeting No:	1	Meeting Time	15:00
Meeting venue:	Zoom Platform	Meeting date	21.06.2021
Attendees :	All partners attend		
Number of attendees	20		

1 Meeting agenda

1. Open discussion in curriculum development
2. Strategies for the development packages.
3. Materials for the curriculum development
4. The process to conduct in the development package

3 Absent participants

None

4 Introduction

1. Partners were introduced to each other with their positions and the universities.
2. Open discussion about the progress of the project.
3. Open discussion about the activities and workshops.
4. Open discussion development package process.

5 Meetings discussed points

1. I propose to write first a concept note in order to define:

1. General objectives

DISCLAIMER: This project has been funded with support from the European Commission. This publication reflects the views only of the author, and the Commission cannot be held responsible for any use which may be made of the information contained therein

2. Specific objectives (here, each partner defines his specific objectives)
3. Define the Master forms according to the competencies of each partner, ICT, political sciences, ...)
4. Propose the topic for every partner
5. Define the target population (students) for every partner
6. Define the social partners
7. Each university develops its contents
8. Define the assessment method

6 Challenges and Recommendations

1. Innsbruck to share information about the master program at the University of Innsbruck. To share the seven Modules for the university of Innsbruck.
2. FSU to share information with the education professor on the process of development of a curriculum

7 Next activities presentations

Prof.Dr. Wermeck from the education center at the Friedrich Schiller University to present the theme for developing the curriculum on reconciliation for the partner country universities

8 At the meeting ended, the partners agreed on the following points:

The next meeting discussion would be on Innsbruck Modules and the curriculum development, and to decide whether the curriculum would be the same standard for all partner countries or each university would develop its curriculum.
