Location	University of Salamanca, Spain
General description : The full agenda for the workshop can be found on this link. https://www.aarmena.uni-jena.de/logo-fsu	
The workshops was improvised by Innsbruck University staff of peace and conflict studies, participants from University of Istiqlal, Petra University, Jena university. In addition for students from Innsbruck university, there were exchange of knowledge and expertise between the partner countries and program countries.	
Challenges and comments: Al-Azhar University could not make it, due to the harsh circumstances they are living in, and staff from University of Jordan could not attend due to new obligation with the administration of the university, so they apologized for attending in person, but they attended online.	
Networking:	Both staff from the partner countries and program countries met and discussed and exchange the how to and know how to teach the programs.
Comments and Recommendations We met each other and discussed the master programs and how the pilot phase is going to be implemented, and improved the teaching courses of Petra University. https://www.aarmena.uni-jena.de/logo-fsu the link also for the reports.
